Washington, D.C. 20520

MAR -9 2011

Dear Mr. Chairman:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles that are controlled under Category I of the United States Munitions List sold commercially under contract in the amount of \$1,000,000 or more.

The transaction contained in the attached certification involves the permanent export of defense articles, including technical data, and defense services related to sale of various Revolvers and Pistols with accessories and spare parts to Smith & Wesson Distributing, Inc. in Belgium, in furtherance a distribution agreement.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Miguel E. Rodriguez
Acting Assistant Secretary
